In addition, asked "Clerk Treasurer to make note that the Mayor had followed proper procedures in the notification for this meeting" Clerk Treasurer reiterated, the request via Councilman Luongo and stated she had the newspaper before her and noted. We were then led in prayer by Councilman Woodrow Davis.

The Mayor asked, if there was a consideration to approved the minutes of April 13th, Proposed Budget of April 20th, April 27th and May 14th, 2020. Councilman Davis moved the minutes be accepted and second via Councilwoman Linda Butler. Councilman Luongo and Councilwoman Simmons voted No., Councilman Davis, Councilwoman Butler and Mayor Sanders Yes. The measure passed.

MAYOR AND COUNCIL COMMENTS

The Mayor thanked the many that helped out in the feeding program at Sandhill's Middle School.

Mayor thanked Senator Nikki Setzler for helping the Town of Swansea to get the COVID-19 testing done. The town had 312 people to be tested. Thanked him again for the help and support in getting it done.

The town is picking up more debris than it can handle. It's something council can thank about a remedy for the situation. Tree trunks and large branches are being put out for pick up and not meeting the 4 ft. guidelines. Mayor asked, if council would think about some suggestions going forward for the citizens of the town.

Councilwoman Simmons wanted to know how long it takes to get the results from the COVID – 19 Test. Mayor Sanders shared, he was told 8 to 10 days.

Councilwoman Butler, suggested everyone should consider taking the COVID-19 Test. As it is not for just yourself, but for others you come in contact with as well.

WATER AND SEWER

Kevin was out in the field working and could not join the conference call. He however, is doing a great job. The Mayor, commend him on his hard work.
