GENERAL MEETING

The Swansea Town Council held its monthly meeting at the Swansea Municipal Building 320 West Third Street, SC 29160. The meeting was called to order at 6:00 PM.

The Mayor stated, the notification of the meeting was posted at town hall, police department, Highway 321 on a sign and the website. While Councilman Luongo was concerned, the town's meeting was not legal because of the media notification sent but not run via the newspaper. The town Attorney Sidney Evering explained, the meeting did not have any legal problems but the town needs to have the publication of the meeting for the calendar year.

The Pledge of Allegiance was recited in the meeting followed in prayer by Councilman Woodrow Davis.

Mayor inquired, if there was a consideration for the approval of the minutes for General Meetings, November 18, December 16, 2019 and Special call meeting of January 7, 2020.

Councilman Luongo requested the floor be open up for discussion. He suggested, council table the minutes because his comments are not being recorded in the

minutes and referenced November 18th. Doris Simmons indicated the same for her comments.

Mayor suggested, they put in writing their comments to be amended to the minutes. The minutes do not help the town, getting out trying to bring business into the town of Swansea, with jobs and the like does, not minutes.

Councilman Davis shared, as Council they should respect one another and not be difficult.

Clerk Treasurer, Margaret Harvey, asked Mayor if she could respond. She shared, the minutes of November 18, 2019 was typed verbatim to avoid any questions of incorrect information being given. Councilwoman Simmons concerned her statement surrounding her thoughts of being discriminated on.

As Clerk Treasurer, I informed Luongo, he was using his position, power toward me to harass and a number of other things at Town Hall.

Councilwoman Linda Butler, reiterated in the workshop as long as the minutes capture the substance of the conversation not necessarily verbatim that is all that is required, which was supported via the town attorney Sidney Evering.

Councilwoman Linda Butler, stated council needed to get it together for they represented the town and the constituents.

After much discussion the minutes were voted on and passed with any necessary corrections, November 18th, December 16th 2019 and Special Call Meeting of January 7, 2020.
